

Montreal, Quebec, Canada, November 3rd, 2025 - A conference was held in Montreal, Quebec, Canada, on November 3rd, 2025. The conference was organized by the Canadian Association of Neuroscience and Psychology (CANP) and the Canadian Society for Neuroscience (CSN). The purpose of the conference was to bring together researchers, scientists, and professionals from various fields of neuroscience and psychology to share their latest findings and discuss future research directions. The conference featured several keynote speeches, panel discussions, and poster presentations. The attendees included students, postdoctoral fellows, and faculty members from universities and research institutions across Canada and abroad. The conference was a success and provided a valuable opportunity for networking and collaboration among the scientific community.
